

YAROSLAV SIDOROV

WEB DESIGNER • DEVELOPER • ICONOGRAPHER

ABOUT ME

Hi there! I'm an artist developer based in New Jersey (USA). My main goal, as a designer, is to produce excellent, creative designs at every pixel point. As a web developer, I always make sure that my coding skills exceed the highest standards in the industry. I'm passionate about design and excited about coding challenges.

MAIN PROJECTS

JECHE LLC

OCT - 2015

BRANDING & WEBSITE DESIGN & DEV.

JECHE Steel, Glass and Aluminum is an American company that specializes in manufacturing and installation iron and aluminum products like railings, fences and gates. I helped them to create a new brand and website.

Made by Melissa

MAY - 2016

BRANDING & WEBSITE DESIGN & DEV.

Made by Melissa Vera is a small but growing makeup company in New Jersey, USA. The company owned and operated by Melissa Vera. I was glad to offer my service to Melissa to create portfolio type website.

Wedding Website

APR - 2017

WEBSITE DESIGN & DEV.

Upcoming Wedding website for Merry and Mike was an enjoyable project to work on. I designed the website as a single page layout to present all content in easy read structural form.
